Dear Mr. Winners:

Attached is my report for the Riverside Coin Club regarding National Coin Week activities.

The reports we received from the bank officials of the Great Western Savings and Loan about the displays we had there during the entire month of April were very gratifying. Visitors asked bank employees questions regarding the coins and currency, some they could answer, some they could not. A great deal of interest was shown and visitors filled out slips of paper for more information and possible membership in the club.

Four of our members took part in the California State Numismatic Association 72nd Convention in San Francisco May 15-17th. They also took part in the kick-off banquet held on April 16.

Thank you for your work these past years for National Coin Week, it has been an inspiration for others and each year the participation grows in our club.

Sincerely,

*Virginia M. Hall*
